The Job - Quinns Baptist Church Pastoral Team Leader

Quinns Baptist Church is currently looking for our next Pastoral Team leader to join a pretty earthy bunch of people who are just doing their best at loving God, loving one another, and loving the community around them. We aspire to be a place where those with a strong faith can be challenged and inspired to 'go hard' and live passionate lives of discipleship to Jesus.

We also want to be a community where the curious are welcomed and where those new to faith can find their way and experience the best of what it means to know Jesus. And for those who have had bad experiences of church, faith, clergy, religion or the like and are downright cynical then we hope that we can be a safe place for them as well.
